Calling All Water & Wastewater Professionals

Municipal Water + WW staff, Public Works staff, Civil Engineers, Pipe Contractors, Utility Officers, Repair Crews & Public Works Management . . . . . *this free show is for you*

High-Density Polyethylene Pipe Total Solutions Roadshow

Thursday, Sept. 28th, 2017
7:30 AM - 2:00 PM

RSVP: pepipe.org/roadshow

Hosted by

FERGUSON® WATERWORKS

Location

Ferguson Regional
Training Facility
2344 N Columbia Blvd.
Portland, OR 97217
*Adjacent to Ferguson WW

- Continental Breakfast
- Catered Lunch
- Free Parking
- CEU Applied for (operators)
- WIN an IPAD
- 5 PDH offered for engineers
- Two tracks offered
- Set program begins at 8:15 AM

Program

Sign-In - Fusion Demos	7:30 AM
HDPE 101 Features + Benefits	8:15 AM
HDPE 304 Pipe Bursting	9:45 AM
Engineer Track	
HDPE 302 Engineering Design	10:45 AM
Lunch	noon
Or	
Field Track	
HDPE 307 Fusion, Repair and Fittings	10:45 AM
Lunch	11:45 AM
Municipal Case Studies	12:30 PM
Expert Panel	1:15 PM

ALLIANCE FOR pepipe

High-Density Polyethylene (HDPE) Pipe Total Solutions Roadshow and Expo

Agenda and Expo Guide

This excellent educational venue will provide both the beginning and experienced pipe user what they need to know to use HDPE with confidence.

What have attendees said about the Alliance's Total Solutions Roadshow?

"Your roadshow was an excellent effort to increase the understanding and acceptance of your product."
Martin D. Worden, P.E. Site Engineering Services, Milwaukee

"…about as good a seminar as I have ever attended."
Consulting Engineer, Dallas Texas

HDPE 101 "Features and Benefits"	Features and benefits of HDPE Pipe including: leak free, flexible + lowest life cycle cost.
HDPE 306 "Case Studies"	Manager confidence in the process is fundamental. Learn how other municipalities have adopted HDPE into their cities.
HDPE 301 "An Engineer's View – In Depth"	Detailed information on formulas, behavior, surge calculations, Manning coefficient, water hammer, C-factor + pipe comparisons.
HDPE 304 "Pipe Bursting Municipal Water"	One of the most common HDPE pipe install methods explored in detail + lessons learned.
HDPE 307 "Handling, Connections, Fittings"	An important session for field staff, this presentation covers field knowledge and practical tips on use of HDPE in the field
Go Pro Cameras + Video	Fusion Demonstrations use technology to enhance experience + understanding
Parts, Connections, Fittings, Transitions	Connections, Fittings & Transitions, molded and prefab fittings on display
Fusion Butt, Electro, Saddle, Socket	Live Fusion Demonstrations and Training
Resource Center How to Design for and Use HDPE	Market Availability, Resin features, Timing, Standard Products and Processes.
